

Mason Dixon Rex RBA Membership Application

The Mason Dixon Rex RBA is a regional specialty club that was started in 1983. Our club membership spans the states of Pennsylvania, Maryland, New York, Virginia, New Jersey, and West Virginia. However, we do not limit membership to these states as we have some members outside this area.

We host annual Rex Specialty shows primarily in the Spring and Fall, with other additional specialty shows throughout the year! Our first two being at the PaSRBA convention at Lebanon in February. We are one of the largest specialty clubs in the country and can boast about the fact we have more than 100 Rex on the table at backyard sanctioned specialty shows! We have hosted numerous Rex Nationals, the most current being in April of 2015 in Dunkirk, NY. We encourage you to give the MDRRBA a try, and join the fun loving group. Hope to see you at the next show!
